<b>Education</b>	<p><b>2006 to 2008</b> Edinburgh College of Art BA (Hons) in Visual Communication</p> <p><b>2003 to 2006</b> Belfast Institute HND Graphic Design and A-Level Photography</p>
<b>Skills</b>	<p>As part of both my courses, I have been required to use the following creative skills; idea generation, lateral thinking, image making and problem solving. Expertise in Adobe Creative Suite, I also have strong working knowledge of After Effects. I also have experience using QuarkXPress and creating PDF documents for presentations and print. I also use traditional methods of image making.</p>
<b>Experience</b>	<p><b>Pointsize Wolfe &amp; Co.</b>, Glasgow 2008 I started this placement as my degree show was commencing. I have been working on both print and web projects, plus brainstorming for new pitches and getting presentations ready.</p> <p><b>Redpath Design</b>, Edinburgh 2007 This placement was spent working on branding for various clients, sourcing images, creating mock-ups for presentation to clients and digital typesetting.</p> <p><b>Andor Technology</b>, Belfast 2005 I spent a short spell with an in-house design team, helping to put together the company's annual catalogue.</p> <p><b>Stream-On</b>, Belfast 2005 Summer placement working in a web design company, helping to update and prepare images and text for various client web sites.</p> <p>I have also worked on other projects on a freelance basis, including logo design, branding and corporate reports.</p>
<b>Interests</b>	<p>Reading; books and magazines, and also reading the Saturday papers in bed, with a coffee. I have started running to keep fit. Travelling is one of my main sources of inspiration and it has allowed me to explore my interest in photography.</p>
